Dear Families,

Current COVID-19 restrictions state that the school cannot have an external photographer on-site for school photos. To ensure that school photos go ahead, whilst keeping our students and staff safe, a staff member will be taking our photos on **Wednesday 21<sup>st</sup> October**. Photos will be printed by Gippsland Printers. CNPS are proud to support local business during these times.

Individual photos of students and class photos will both be taken, and will cost \$5 each to buy. Class photos will be taken on the playground equipment. Unfortunately we are not able to provide multiple copies of photos for each student; families may choose to purchase one individual photo, one class photo, or one of each.

Please tick the box below to indicate which option you will take. Form and payment is due by **Friday 30<sup>th</sup> October**. Please note that photos are not compulsory to buy. Students who do not purchase photos will still have their photos taken and be a part of the class shots.

One single photo, 5x7 size \$5.00
